

## 'COME WHAT MAY' CHURCH BUDGET

As part of Term 2 'Come What May' fundraising CEIS encourages churches to consider adding CEIS to their annual church budget. This would be an investment in local children having the opportunity to seek, question and explore God, Jesus and the Bible. Could there be a more worthy investment?

Every school term, in response to parent requests, CEIS liaises with numerous schools, prepares relevant resources, trains teams of volunteers and leads CEIS sessions that supports thousands of students exploring the bigger story of life - a God that knows and loves all people. This amazing service relies totally on the generosity of donations.

Use the postcard below to start a discussion with your church leaders and members.
